

STATE ADVISORY COMMITTEE ON JUVENILE JUSTICE AND DELINQUENCY PREVENTION

February 10, 2016

Issue: County Use of Force Practices – Designation of Workgroup

At the last meeting, the committee adopted a motion to establish a workgroup to look at the most effective way to enhance the understanding of county use of force practices. In order to make this a collaborative effort, the Juvenile Justice Standing Committee took action on January 19th to appoint three of its members to this Use of Force Workgroup. This agenda item provides the opportunity for the SACJJD to appoint its own members to the Workgroup.
